Question and Answers Version 1

No.	Question	Type	Answer
1	Is there a mandatory briefing session for this tender	Technical	No. There is no briefing session this tender.
2	Concerning T03/02/17- E-recruitment System and T04/02/17- Talent Management System tenders we would like to clarify the following: 1. Is there a limitation that requires that both tenders be responded to separately if there is a solution that covers both requirements?	Technical	Yes, there is a limitation. The tenders will be treated as different and separate bidding processes, and therefore bidders must respond to each tender separately.
3	If we have a new e-recruitment system that is not well known in the market. Should we go ahead and still bid or will it be disqualifying condition?	Technical	Bids will be evaluated according to the criteria set out in the tender document. Paragraph 5 of Section 2 of the tender document provides the technical requirements that a bidder will be evaluated against, and bidders are advised to observe these technical requirements when they put together their proposals.
