

Invitation to submit an Expression of Interest ('EOI') in potentially acquiring shareholding and / or assets in Sustainable Fibre Solutions (Pty) Ltd ("SFS")

The Industrial Development Corporation of South Africa Ltd ('IDC') invites interested companies to submit expression of interest (EOI) to acquire an equity stake / acquire assets as one complete package / acquire the business of SFS. It is expected that the investor should be reputable, a key stakeholder, or otherwise have strong linkages to the kenaf processing industry and /or any other industry that has the potential to utilize the building, equipment and retain employees. The interested parties may collaborate with other parties in order to provide a complete solution. The EOI should include the required minimum information, the details of which are available from the IDC website at <https://www.idc.co.za/latest-tenders.html>.

SFS, based in Winterton in Kwazulu-Natal Province in South Africa, was established in 2006 to process Kenaf stalk into fibre and core.

Interested investors are required to submit their EOI complete with required minimum requirement by email to: sfs@idc.co.za. The closing date for the submission is 6th of March 2018 at 16H00 CAT
