| 1   | Accounting, bookkeeping, internal controls assessment & implementation and governance (compliance) services are not listed separately as a technical advisory service that the different sectors would generally need. | 3   | If I am not on the treasury CSD does this imply that I can't continue with the bid application?  | Admin     | You can continue to respond to the tender, however it must be noted that bidders not on treasury CSD will not be considered for appointment. |
