

Tender Number: T35/10/18

Tender description: Request for Proposal for the Provision of Car Rental Services

Question and Answers Version 1

No.	Question	Type	Answer
1	If as a bidder I have a level 6 B-BBEE status, will I be disqualified?	Commercial	Under Section 2: Specific conditions of Bid, of our Tender document, Bidders must have a minimum B-BBEE contributor status level 4 or better.
2	8.1.1; Car group 4X4; Does this refer to 4x4 double cab or 4x4 single cab?	Technical	Reference is made to a 4X4 doublecab.
3	5.1.2; Physical branch location at Domestic commercial airports; What happens if our branch is not exactly at the airport?	Technical	The bidder must have physical presence at the domestic commercial airport in line with the category requirements as stipulated in the tender and must indicate for which category they are tendering.
4	I have a RFP for car rental services and we are a small emerging company and would like to know what other requirements are needed if the established companies are not willing to work with us. I would really like to know what other proof I can provide to say we can deliver if given a chance.	Technical	The bidders are required to respond to the RFP as stipulated in the tender document to prove that they can deliver the services.
