

**Tender Number: T35/10/18**

**Tender description: Request for Proposal for the Provision of Car Rental Services**

**Question and Answers Version 2**

<b>No.</b>	<b>Question</b>	<b>Type</b>	<b>Answer</b>
1	If as a bidder I have a level 6 B-BBEE status, will I be disqualified?	Commercial	Under Section 2: Specific conditions of Bid, of our Tender document, Bidders must have a minimum B-BBEE contributor status level 4 or better.
2	8.1.1; Car group 4X4; Does this refer to 4x4 double cab or 4x4 single cab?	Technical	Reference is made to a 4X4 doublecab.
3	5.1.2; Physical branch location at Domestic commercial airports; What happens if our branch is not exactly at the airport?	Technical	The bidder must have physical presence at the domestic commercial airport in line with the category requirements as stipulated in the tender and must indicate for which category they are tendering.
4	I have a RFP for car rental services and we are a small emerging company and would like to know what other requirements are needed if the established companies are not willing to work with us. I would really like to know what other proof I can provide to say we can deliver if given a chance.	Technical	The bidders are required to respond to the RFP as stipulated in the tender document to prove that they can deliver the services.
5	Under section 3, page 15; Scope of work; what does Free kilometres from day one mean?	Technical	Above statement refers to the 100km free per day as per the cost model 8.1.1
6	Under section 3, page 15; Scope of work; what does Flat fee rate for rentals of 50kms or below mean?	Technical	The expectation was for bidders to give us an idea of how much it would cost us if a renter only did less than 50km per rental. E.g. If renter covered 120km in day, we will be charged for only 20km, plus let's say at a cost of R100.00; is there a likelihood that if the renter did only 50km or less it would cost us less.
