Tender description: Establishment of ISA as a Public Entity

Question and Answers Version 1

No.	Question	Type	Answer
1	<p>We are interested in responding to this request for proposal – IDC IT14/05/21 THE ESTABLISHMENT OF INFRASTRUCTURE SOUTH AFRICA (ISA) AS A PUBLIC ENTITY OF THE DEPARTMENT OF PUBLIC WORKS AND INFRASTRUCTURE.</p> <p>Unfortunately we will not be able to prepare a response within the specified timelines and humbly request that the department grant us an extension to the 10th June 2021.</p>	Technical	
2	<p>Traditionally, we work with entities up front to highlight the highly specialised nature of the legal work required as it is typically very difficult to find both competency sets in one organisation because of the required level of sophistication.</p> <p>Additionally, our organisation does not undertake legal advisory services and does not sub-contract legal service providers, although we do however work together with client-appointed legal service providers on the ground.</p> <p>Thus, please would you confirm your openness for us responding only to items (a) and (c) below?</p> <p>a. Business Case: Consolidation of the motivation for a public entity establishment</p> <p>b. Draft amendments to the Infrastructure Development Act</p> <p>c. Develop & support the roll-out of a comprehensive ISA Implementation Plan</p>	Technical
